

NEWS RELEASE

MIRANDA TO PRESENT AT CIBC INVESTOR CONFERENCE

Montreal, September 8, 2011 – Miranda Technologies Inc. (TSX: MT), a worldwide provider of infrastructure, playout and monitoring systems for the television broadcast, cable, satellite and IPTV industry, today announced that Miranda's President and Chief Executive Officer, Strath Goodship, will present at CIBC's 10th Annual Eastern Institutional Investor Conference on Thursday, September 22, 2011 at Le Westin Montreal.

The presentation, which will consist mainly of an open discussion, is currently scheduled for 2:40 pm (ET). A link to the audio webcast of the presentation will be available on Miranda's website at www.miranda.com/investors/events.

About Miranda

Miranda Technologies is a leading worldwide provider of hardware and software solutions for the television broadcast, cable, satellite and IPTV industry. Its solutions span the full breadth of television operations, including production, playout, and delivery.

With a wealth of experience in delivering IT-based and traditional television systems, Miranda is uniquely positioned to help customers enhance their facilities, while generating additional revenue, reducing costs and streamlining operations.

For over 21 years, Miranda's growth has been driven by continuous innovation, along with close customer partnerships focused on helping them achieve their business objectives. To deliver this support, Miranda employs approximately 690 people globally, in both developed and emerging markets. Miranda's head office is located in Montreal, and it has regional facilities in the United States, the United Kingdom, France, the United Arab Emirates, Japan, Malaysia, Singapore, Hong Kong and mainland China. A public company since December 2005, Miranda's shares (MT: TSX) are traded on the Toronto Stock Exchange. More information on the Company can be found at www.miranda.com.
